With the agreement of the parties, the Court enters the following Protective Order:

Defendant is charged with violations of 18 U.S.C. §§ 1343 (wire fraud), § 1957 (money laundering), and § 1519 (destruction of records in a federal investigation). Upon receipt of a discovery request, the United States will produce documents and other materials pertaining to the defendant and the charged offenses to defense counsel. The discovery to be provided includes documents or other materials falling into one or more of the following categories (collectively, "Protected Information"):

1. Personal Identifying Information of any individual (other than his or her name), including

1 any person's date of birth, social security number, residence address, telephone numbers,
2 email addresses, driver's license number, names of persons who are minors, or criminal
3 histories ("Personal Identifying Information");

4 2. Financial Identifying Information of any individual or business, including bank account
5 numbers, credit or debit card numbers, account passwords, and taxpayer identification
6 numbers ("Financial Identifying Information"); and

7 3. Medical records or other patient information of any individual covered by the Health
8 Insurance Portability and Accountability Act of 1996 (HIPAA) ("Medical Information").

9 Given the volume of such materials in this case, unless expressly indicated by the government,
10 all materials produced pursuant to this protective order are Protected Information and subject to the
11 terms of this agreement.

12 To ensure that Protected Information is not subject to unauthorized disclosure or misuse,
13 **IT IS HEREBY ORDERED** that defense counsel, their investigators, assistants, employees,
14 and independent contractors (collectively, "the Defense Team") may review with the defendant all
15 discovery material produced by the government, but shall not provide a defendant with copies of, or
16 permit defendant to make copies of, or have unsupervised access to any discovery material produced by
17 the government that contains Protected Information, unless the Protected Information has first been
18 **entirely redacted** from the discovery materials. The government and defense counsel are ordered to
19 work together to ensure that these materials are protected, but that defendant has as much access to the
20 materials as can be provided consistent with this Court's order. Discovery material that clearly pertains
21 to a specific defendant and does not contain Protected Information regarding any other person (*e.g.*,
22 defendant's own bank records, telephone records, and business records) may be provided to that
23 defendant unredacted.

24 The Defense Team may show witnesses Protected Information in the course of preparing a
25 defense for trial or any related proceedings in this case, but only if (i) the witness, by reason of their
26 participation in the underlying events or conduct, would have seen or had reason to know such
27 information, or (ii) it is otherwise relevant to the defense of the case that the Defense Team discuss with
28

1 or show the witness Protected Information. Witnesses may only view Protected Information in the
2 presence of the Defense Team. No witness or potential witness may retain copies of discovery material
3 that contains Protected Information after his or her review of those materials with the Defense Team is
4 complete.

5 Defense counsel may also provide unredacted copies of Protected Information to any experts
6 retained to assist with the preparation of the defense in the captioned case. The defendant, all members
7 of the Defense Team, and any experts who receive Protected Information under this Order shall be
8 provided a copy of this Order along with those materials and shall sign and date the order reflecting their
9 agreement to be bound by it.

10 The Defense Team shall maintain Protected Information safely and securely, and shall exercise
11 reasonable care in ensuring the confidentiality of those materials by not divulging the contents or
12 permitting anyone to see Protected Information except as set forth in this Protective Order.

13 The materials provided pursuant to this protective order may only be used for the specific
14 purpose of preparing or presenting a defense in this matter (CR-25-00126 JST) unless specifically
15 authorized by the Court.

16 This Order shall also apply to any copies made of any materials covered by this Order.

17 **IT IS FURTHER ORDERED** that if a party files a pleading that contains or attaches Protected
18 Information subject to this Order, the Protected Information must be filed under seal (accompanied by a
19 request to file under seal) and redacted from the public filing, unless otherwise ordered by the Court.

20 **IT IS FURTHER ORDERED** that after any judgment or disposition has become final and there
21 are no pending proceedings, challenges, appeals, or habeas motions in the case, counsel for defendant
22 shall either destroy discovery materials containing Protected Information (including any copies) within
23 30 days if the defendant consents to such destruction, or retain the Protected Information and ensure that
24 the Protected Information will continue being kept under the conditions specified in this Order. After
25 the statutory period for filing a motion under 28 U.S.C. § 2255 has expired, the United States is free to
26 destroy documents and materials subject to this Order. If defendant is represented by counsel and files a
27 motion pursuant to 28 U.S.C. § 2255, the United States will provide counsel with the documents and
28

1 materials subject to this Protective Order under the terms of this Order.

2 This stipulation is without prejudice to either party applying to the Court to modify the terms of
3 any protective order. This Court shall retain jurisdiction to modify this Order upon motion of either
4 party even after the conclusion of district court proceedings in this case.
